Zovoha

INVESTOR OVERVIEW

Zovoha. *Learn. Build. Launch.*

Technology, analytics and practical career training under one company. Gurugram, India. Draft overview, 21 November 2026.

Zovoha

THE PROBLEM

Courses teach theory. *Employers want proof.*

Learners finish with little time on real enterprise tools. Micro startups and small businesses need affordable technology and data help they can trust.

Zovoha

THE SOLUTION

Three businesses. *One standard.*

Zovoha Enterprise: software, cloud and IT systems. Zovoha Analytics: data and business analysis. Zovoha Careers: an Enterprise Tools Practical Training Platform.

Zovoha

MARKET

A large and *growing market.*

India corporate training market: USD 12.2 billion in 2025, forecast USD 39.9 billion by 2034 (12.86% CAGR). Source: IMARC Group. Third-party estimate for the wider market, not a Zovoha revenue forecast.

Zovoha

BUSINESS MODEL

Asset-light and *fully prepaid.*

Three prepaid revenue lines. Partner workplaces in 12 cities (75+ locations) are managed by Awfis and WeWork; Zovoha does not own, lease or operate them. No instalments, no discounts.

Zovoha

TRACK RECORD

What our *predecessor* achieved.

HCDS Technologies, October 2021 to October 2025: 900+ students trained and placed; 3 micro startups incubated (2023, 2024, 2025); invited by IIM Trichy for guest lectures. These are not Zovoha results.

Zovoha

ROADMAP

Starting *12 February 2027.*

Zovoha Enterprise begins at Hyderabad. 2027-2028: live projects for 50 real problems. Delivery through partner workplaces across 12 Indian cities.

Zovoha

LEADERSHIP

The *people.*

Zovoha Mistry, Founder and Director (technology, strategy, product). Swapnil Saxena, Co-Founder and Director (branding, marketing, growth). Kanchan Mistry, Co-Founder and Director (governance, finance, operations, HR).
